PRESS INFORMATION BUREAU
GOVERNMENT OF INDIA

Notification No. PIB/2026/DIG-014
New Delhi, dated 15th January 2026

SUBJECT: EXPANSION OF DIGITAL SERVICES UNDER DIGITAL INDIA INITIATIVE

The Union Cabinet chaired by the Prime Minister has approved the comprehensive expansion of public digital service infrastructure across all rural and semi-urban panchayats.

Under this notification, citizen services including land records, welfare disbursement, and educational certificates shall be provisioned through unified digital service centers.

State governments are requested to ensure high-speed optical fiber connectivity at each district headquarters and block office. Guidelines regarding privacy safeguards and data localization comply strictly with the Digital Personal Data Protection Act.

All departments must submit quarterly compliance reports to the Ministry of Electronics and IT.

SECTION 2: BUDGETARY ALLOCATION AND IMPLEMENTATION TIMELINE

The Central Government has sanctioned an initial capital outlay of Rs. 4,500 Crores for the current financial year. Implementation shall proceed in three distinct phases.
Phase 1 covers tier-1 and tier-2 districts by June 2026.
Phase 2 encompasses all aspirational districts by December 2026.
Phase 3 will complete full coverage across remote border villages by March 2027.
Authorized officer: Additional Secretary, Ministry of Electronics and Information Technology.
